A large green Sennebogen 835 crane is shown in the process of lifting a massive, red-painted hull section of a ship. The crane's boom is extended high into the air, and its bucket is positioned to hoist the section. The ship's superstructure, featuring a white upper part and a red lower part, is visible in the background. A photograph of a misty forest scene. In the foreground, a wooden boardwalk with built-in wooden stairs leads through a dense forest of tall, thin trees. The ground is covered in green grass and some fallen leaves. The background is hazy with mist, and the lighting is soft, suggesting early morning or late afternoon. The text "Puhas loodus. Naturaalne elukeskkond" is overlaid in white, sans-serif font in the center of the image.

An aerial photograph of a large agricultural field. A combine harvester, primarily green and yellow, is in the center-left, harvesting a golden-brown crop. To its right, a green tractor is pulling a piece of farm equipment. The field is divided into long, straight rows of crops, with some areas already harvested, showing the dark brown soil. The text is overlaid in white, bold, sans-serif font.

**"Kui põllumajandus edeneb,
õitsevad koos sellega kõik kunstid,
kui aga põllumajandus jäetakse
hooletusse, lähevad nurja ka kõik
teised tööd nii maal kui merel."**
